4. Letter Contract No. [REDACTED] authorizes the Contractor to expend or obligate an amount not to exceed 90% of the estimated contract price, and contemplates execution of a cost-plus-a-fixed-fee type of definitive contract.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
